

# Nekita Linton

Vice-President, JOHSPA

---

Ms. Nekita Linton has over five (5) years experience as a Safety & Health Inspector in the Occupational Safety & Health Department at the Ministry of Labour & Social Security. Miss Linton is currently the Occupational Safety and Health Officer at the Jamaica Customs Agency. She has completed a BSc. in Applied and General Chemistry and is currently pursuing the MSc. in Occupational Environmental Safety and Health. She has additional training in Audit Planning & Report Writing, Supervisory Management, General Management, Managing and Facilitating Online Instruction, and Industrial Hygiene

(uses & application of industrial hygiene toolkits). Ms. Linton considers it an honour to serve as Vice President of JOHSPA, and the opportunity to contribute to the development of Health and Safety in Jamaica.
