

Ms. Yvonne Anderson

Ms. Yvonne Anderson has twelve (12) years' experience in the field of Occupational Safety and Health (OSH). Her experience in this area was acquired from her years serving as an Inspector within the Ministry of Labour and Social Security's OSH Department and during her current position at the HEART Trust/NTA, where she has responsibility for OSH. She completed her degree in Mechanical Engineering from the University of Technology and is currently pursuing the Master of Science degree in Occupational Environmental Safety and Health at the University of the West Indies. She has attended several local and overseas courses, with her most recent certification being the ISO 45001 Lead Implementer. Ms Anderson considers it a privilege to serve on the JOHSPA Board and envisions that this body will make a contribution to the furtherance of safety and health practices within the workplace.
